BOOK SYNOPSIS

Includes the complete ACT Testbuster book plus interactive software (REAs TESTware.) The book and TESTware complement each other. Outsmart the ACT and raise your score with the proven testbuster strategies and techniques of the leading national coach and review courses. You get the best of the best coaching wisdom and test-taking strategies that have proven to raise test scores. Test questions are broken down and analyzed, with specific techniques to help you answer more questions in less time. Reviews are specifically tailored to the subject matter covered on the test so you don't waste time studying irrelevant material. The testbuster teaches you to attack any question that may appear on the ACT by capitalizing on the structure and very basis of the ACT's content. Specific strategies are taught to help you score higher on all areas of the ACT. A full-length diagnostic test is included to help you determine your strengths and weaknesses. Each review is accompanied by drill questions for practicing strategies and reinforcing concepts taught in the review. The software offers two complete exams under actual exam conditions with controlled timing and question order. It automatically scores test performance, provides analysis, and directions for further study. Also includes REAs Verbal Builder software to build vocabulary and reading skills. Includes CD-ROM for Windows and Macintosh. Suitable for any PC with 16 MB of RAM minimum, Windows 3.1, 95, or 98. Any Macintosh with a 68020 or higher processor, 16 MB of RAM minimum, System 7.1 or later.
