## BOOK SYNOPSIS

"I ADORE these cards. They are immensely valuable for shifting perspective and creating profound new growth." SARK, Author, Artist, Succulent Wild Woman Set your intentions, break through blockages and learn ways to manifest your dreams using the 49 cards and guidebook of this extraordinary divination system! Each original card connects with a major chakra and represents one of the mystical fables revealed by angels to psychic Tori Hartman over 25 years ago following a near-death experience. This oracle deck contains 49 unique chakra cards, each with its own fairy-tale image, as well as a detailed guidebook that includes divination spreads, chakra-by-chakra insight to guide you on your journey, and a personal inquiry and focused meditation for each card. The divination spreads range from basic one-card readings to intention spreads that tap into and activate your manifesting energy - even the more complex Chakra Layout is still easy-to-use, as all the spreads are. This new deck is set to become a classic for those interested in developing their intuition and card divination. "Read and experience this book! Each poignant and thought-provoking story will give you the feeling of a long lost treasure - uncovered truths just for the reader." Mark Victor Hansen, Co-creator of The New York Times Best-selling Series, Chicken Soup for the Soul "Color is the energy vibration of the Universe. Tori's lovely toolkit can help you tune in and tune up with the rich magic of the spectrum. She makes it fun and fascinating!" Amy Zerner and Monte Farber, authors of Karma Cards, The Enchanted Tarot and Goddess, Guide Me!
