BOOK SYNOPSIS

Retire happy and healthy without keeping a million bucks in the bank! The financial-service industry wants you to believe that in order to avoid financial destitution, you need to put aside huge amounts of money that you -- lets say it together -- "should have begun saving years ago." Not true, states Ralph Warner, Nolo co-founder and the author of *Get a Life* . Although a sensible savings plan makes good horse sense, many other actions and decisions will determine whether you enjoy your retirement years. *Get a Life* shows you how to beat the anxiety surrounding retirement, and to develop a plan to make your golden years the best of your life by: developing family relationships maintaining and creating friendships improving health keeping active developing a robust curiosity for the world realistically calculating how much money you need and how to secure it The 5th edition provides the latest research and studies that show physically and mentally active retirees live longer and enjoy happier lives. New in 2008: Also in this category, by coauthor Ralph Warner, *Retire Happy: What you Can Do Now to Guarantee a Great Retirement*.
