BOOK DETAILS

- Author : Friedrich Nietzsche
- Pages : 240 Pages
- Publisher : Vintage
- Language : English
- ISBN : 0394703693

BOOK SYNOPSIS

Two representative and important works in one volume by one of the greatest German philosophers. The Birth of Tragedy (1872) was Nietzsches first book. Its youthful faults were exposed by Nietzsche in the brilliant "Attempt at a Self-Criticism" which he added to the new edition of 1886. But the book, whatever its excesses, remains one of the most relevant statements on tragedy ever penned. It exploded the conception of Greek culture that was prevalent down through the Victorian era, and it sounded themes developed in the twentieth century by classicists, existentialists, psychoanalysts, and others. The Case of Wagner (1888) was one Nietzsches last books, and his wittiest. In attitude and style it is diametrically opposed to The Birth of Tragedy. Both works transcend their ostensible subjects and deal with art and culture, as well as the problems of the modern age generally. Each book in itself gives us an inadequate idea of its author; together, they furnish a striking image of Nietzsches thought. The distinguished translations by Walter Kaufmann superbly reflect in English Nietzsches idiom and the vitality of his style. Professor Kaufmann has also furnished running footnote commentaries, relevant passages from Nietzsches correspondence, a bibliography, and, for the first time in any edition, an extensive index to each book.

THE BIRTH OF TRAGEDY AND THE CASE OF WAGNER - Are you looking for Ebook The Birth Of Tragedy And The Case Of Wagner? You will be glad to know that right now The Birth Of Tragedy And The Case Of Wagner is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. The Birth Of Tragedy And The Case Of Wagner may not make exciting reading, but Applied Numerical Methods With Matlab Solution Manual 3rd Edition is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with The Birth Of Tragedy And The Case Of Wagner and many other ebooks.

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with The Birth Of Tragedy And The Case Of Wagner. To get started finding The Birth Of Tragedy And The Case Of Wagner, you are right to find our website which has a comprehensive collection of manuals listed.
